## *In Grateful Recognition of Dedication and Service*

Brian and Margaret Davies were BIBTF founder members when it was formed in 1974 and have actively promoted it ever since. For years they served as Trustees, handled the distribution of *Bible Truth* magazine until recently and Margaret oversaw our prayer ministry.

What people might not know is that they gave accommodation in their home for our founder, Rev. Charles Samuel McKelvey 'Mac' when he was made homeless as a result of stepping down from leading the SPBI. All the while their strong faith and prayer ministry both to our Fellowship and amongst others has been a wonderful example to follow.

It is time now though for them to lessen their more energetic service to us. In recognition of their dedication to our outreach over so many years Certificates were recently presented to them by our Vice-president, Derek Gash. We wish them abundant blessings for the future and many years in which to enjoy them.
