## **PRIME MINISTER THERESA MAY SAYS SHE WILL TRIGGER ARTICLE 50 BY THE END OF MARCH 2017.**

*We are, however, still part of the EU at the present time & must continue to petition the Lord in prayer.*

*'The effectual fervent prayer of a righteous man availeth much.'*

*James ch.5 v.16*

### **JANUARY**

***Week Beginning Sun 15*** - Even though we are a wicked nation still in the wilderness, many looking back to the EU & worrying what leaving may mean, remember that the Lord seeks to bring us out of this wicked union & to pray fervently in faith to this end.

***W/B Sun 22*** - Pray for Prime Minister Theresa May & all her Christian cabinet ministers; that they bring all the pressing issues of this nation regarding implementing Article 50 & other EU matters before the Lord in earnest prayer, inquiring for His wisdom & guidance.

***W/B Sun 29*** - That God will overturn any hindrance from Europhiles inside her own party.

### **FEBRUARY**

***W/B Sun 5*** - That the media will stop using scare tactics & wrongly using Brexit as an excuse for all negative occurrences.

***W/B Sun 12*** - That many positive reasons for a quick & complete exit from the EU will be flagged up in the media, serving to change the minds of those wanting to stay & settle the minds of those starting to waver, such as promises of trade deals & large corporations moving business to the UK.

***W/B Sun 19*** - That God will protect the Government from any actions seeking to derail the PM's timetable for the implementation of Article 50. May it indeed be God's own deadline for this action.

***W/B Sun 26*** - That God will strengthen & protect the UK Prime Minister.

### **MARCH**

***W/B Sun 5*** - Any arrogance, bullying & interference from EU may turn only to their own detriment.

***W/B Sun 12*** - That God will shake & shake again this wicked, domineering political system that is the EU, causing a mass realisation that this is a broken, failing union.

***W/B Sun 19*** - For protection of and assurance to the Isralite desendants spread across mainland Europe during this time of political uncertainty.
